

REMARKS

Applicants respectfully note that Examiner seems to have accidentally referred to the surfactant represented by the general formula (3) as a “random copolymer”. However, the surfactant represented by the general formula (3) is never described in such a way in the Specification or the Claims. See Application, ¶ [0023]; allowed independent Claim 13. Accordingly, Applicants respectfully request that the examiner correct this mistake by replacing the Abstract listed in the Notice of Allowance dated April 12, 2010, with the replacement Abstract set forth above.

Based upon the above remarks, Applicant respectfully requests the above described amendment to the Abstract in pursuant to 37 C.F.R. § 1.312. Should the Examiner feel that a telephone conference with Applicants’ attorney would expedite the prosecution of this application, the Examiner is urged to contact him at the number indicated below.

Respectfully submitted,
